to learn more about
Made in Millersville.

As early as your first year, you are encouraged to participate in the **Made in Millersville** event, where you will showcase your talents, ideas and accomplishments. This event is held annually and is a unique experience for our Marauders, faculty, staff and the community to come together.

Through a wide range of projects, research and creative endeavors, our students gain invaluable skills, knowledge and confidence that set them apart in the competitive landscape of today's job market.

HERE'S TO LIVING AT THE 'VILLE

THE VILLAGES AT MILLERSVILLE UNIVERSITY

Live with other students who share your college lifestyle in a supportive living-learning environment in our East, South and West Village suites. There are single-room and double-room accommodations with semi-private bathrooms, convenient location and all the amenities necessary for establishing your "home away from home." *Kitchens are available.*

Tour Our Housing!

LIVING-LEARNING COMMUNITIES

Located throughout the residence halls, Living-Learning Communities (LLCs) offer eligible students the opportunity to become part of a unique residential experience that connects classroom learning with residence hall life. Students enjoy all the advantages of living on campus with the added benefit of residing among students who share common academic goals and interests. Communities include Business, International Connections, and Women in STEM. Visit millersville.edu/lhc for more information.

DINING OPTIONS AT MU

In addition to cooking at home if you live in the Villages or a Marauder Suite, you will have a number of on-campus and off campus food options.

On campus Millersville operates the Cove, The Anchor, and Upper Deck. Millersville hosts a Starbucks and a Chick-fil-A (opening spring 2025). The Lombardo College of Business proudly supports the Evergreen Cafe, a student run venture. Off campus students can walk to the Sugar Bowl, a local favorite – or go into Lancaster city to have access to over 13 international grocery stores and food options from all over the world.

The following is what our *alumni* have to say about the impact *Millersville University* had on their lives!

“I chose Millersville because it has a unique combination of affordability and high-quality programs taught by experts in their respective industries.”

— GASSER ABOUSAIF '20, '23M | BUSINESS ADMINISTRATION • M.S. TECH & INNOVATION

“I chose Millersville because it has a quality education and offers a wide range of academic and extracurricular opportunities. With its convenient location near major cities, Millersville makes it easy for students to take advantage of the internships and other career-oriented experiences.”

— YI WANG '23 | BIOLOGY

“During my time at Millersville, I have felt so supported in everything I have done. I have switched my major, found my passion, become a better student and, most importantly, become a better person. I was given the opportunity to present at Made in Millersville, an academic conference on campus, and rose to the position of CFO for the Marauder Fund, which works with investing a portion of the University's endowment.”

— MIHIR SAUDAGAR '20 | ECONOMICS

“I chose Millersville because Millersville offered a master's program in clinical psychology with a hands-on portion, which is how I learn best! I also searched my professor's curriculum and saw that they had a lot of experience that aligned with my values, goals and dreams! Finally, when I visited the campus, everyone was so welcoming and friendly that it felt like the right place for me!”

— REGINA SANCHEZ ALCALDE '23 | M.S. CLINICAL PSYCHOLOGY

“It has been a childhood dream of mine to study in the USA... It has become clear to me that Millersville is an institution that cares for its students and tries to achieve a balance between sports and academics. This made Millersville University a compelling choice for me - a home away from home.”

— QHAYIYA NOGODUKA '24 | B.S. PSYCHOLOGY

FUNDING YOUR EDUCATION

MERIT-BASED SCHOLARSHIPS

All first-year undergraduate international students are automatically eligible for merit scholarship consideration. Awards for the Fall 2025-Spring 2026 academic year will be set by October 2024. Scholarship eligibility is based on a US 4.0 weighted GPA.

GRADUATE ASSISTANTSHIPS (GA)

A tuition waiver of 18 credits per year and a stipend of \$6,000 per year are awarded to fulltime, first-year GAs. Part-time graduate assistantships would work 10 hours per week in the position and receive half of the tuition waiver and stipend.

CAMPUS EMPLOYMENT

International students may work on campus up to 20 hours per week while enrolled, with a potential to earn between \$1,920 and \$9,600 annually depending on position, hours and shifts worked.

TUITION PAYMENT PLAN

Plans break down your tuition balance into three to five affordable monthly payments. There's no interest, payment options are flexible, setup fees are affordable and it's easy to enroll! There is a \$30 nonrefundable enrollment fee per semester.
