Respected Officer,

This is Rohan Rhamesetti (M# M0123456) pursuing a graduate degree in Computer Science at Millersville University. I will be completing my degree this December 2017 and would like to invite my parents for my graduation ceremony. I have attached my enrollment verification as well as proof of participation in the graduation festivities.

My parents, Mr. and Mrs. Sai Rhamesetti will arrive on 12/01/2017 and return to Sri Lanka on 12/20/2017. They will stay with me during this time and travel to visit attractions across the East Coast.

It would be very thankful, if you allow my parents to attend my graduation ceremony by issuing a visiting visa.

Regards,

*Rohan Rhamesetti*
