Mission Statement

The mission of the Office of Learning Services is to promote and encourage the unique learning styles of all Millersville University students. The Office of Learning Services strives to support faculty and students by supplementing student learners with academic accommodations, individualized learning assistance, peer tutoring, tutor training, auxiliary aids, assistive technology, academic skills workshops, and individualized programming to promote independent and successful learners for the future.

What We Do

The Office of Learning Services coordinates academic accommodations and related services for students with learning and physical disabilities who meet eligibility criteria set forth by the Americans with Disabilities Amendments Act of 2008 (ADAAA 2008) and Section 504 of the Rehabilitation Act of 1973.

This also extends to individuals with handicapping conditions that substantially limit a major life activity, such as learning.

How We Can Help

Students must register with Learning Services for accommodations; however, all Millersville University students can use our screening, tutoring and workshop services.

- Classroom and testing accommodations
- Alternative textbooks
- Assistive technology
- Interpreting services for ASL and CART
- Coaching for LD/ ADHD/ ASD students
- Advocacy assistance
- Housing accommodations
- Learning disability/ ADHD screenings
- Workshops on college academic skills
- Coordination of peer tutoring services
- CRLA International Tutor Certification

Office of Learning Services

A Division of University College

Where We Are

Learning Services is located on the third floor of Lyle Hall. Contact us by calling 717-871-5554 or emailing learning.services@millersville.edu.

Drop-ins are welcome, but scheduling an appointment when possible is encouraged.

Requesting Accommodations

Students must submit a Special Assistance Request Form (available on our website) and provide appropriate documentation of their diagnosis to register for accommodations. Learning Services keeps your diagnostic information strictly confidential.

Using Our Services

Workshop schedules are available on our website. Drop-ins are always welcome!

Contact the Tutoring Center at 717-871-7222 or tutoring.center@millersville.edu for information on getting a tutor or becoming a tutor.
