Leadership Style Workshop Worksheet

**Directions:** Mentors will watch the video below on leadership styles. The video will discuss the six styles and what they look like. Mentors will also participate in one of the two leadership style quizzes below. After taking the quiz (screenshot your results), you will then read about your style and type your answers to the questions below.

**Due Date:** This workshop will take place the month of January 2022 and will be due Friday, February 11. You will send your answers and the screenshot of your results to mentorship.ga@millersville.edu.

3) In a minimum of 300 words, please write about the leadership style you received after taking the quiz. You may use the questions below to guide your answer.

   a. What is your leadership style and why is it important?
   b. What are the strengths and weaknesses of this leadership style?
   c. Do you agree with the leadership style you were given? Why or why not?
   d. What surprised you about this style?
   e. How can you use your leadership style in your mentoring relationship?

4) In a minimum of 150 words, describe a time where you demonstrated your leadership style or a different leadership style? Describe how you effectively used those skills and what you could change next time. If you are unsure of a previous scenario with your leadership style, write about how you can use your leadership style with your mentee.
