| 9:15 – 10:30 AM | MATH/CHEMISTRY PLACEMENT                      | Caputo Hall, Rooms 210 & 211                 | MATH: You should take the math placement assessment unless you have already earned and confirmed AP math credit or college credit (transfer or dual enrollment); If you are unsure, take the test. Elementary, Special Education, and Middle Level majors must take an assessment regardless.  
CHEMISTRY: Students majoring in Chemistry, Biology, Earth Sciences, Physics, Middle Level (math or science), OR a Pre-Med in another major must take this assessment. |
9:00 – 10:30 AM    TRANSFER STUDENT SESSION

*Student Memorial Center, Room 118E*

If you are a transfer student and do not need to take a placement test, you’ll meet other transfers and learn about several transfer-specific programs and services.

10:45 AM – 11:45 AM    MEET YOUR ACADEMIC DEPARTMENT

*Locations Vary by College and Date*

Meet others in your degree program, connect with your professors, and ask the questions about your first semester that are important to you. Your meeting location is on your name badge.

NOON – 1:00 PM    SUMMER PICNIC

*Gordinier Hall | The Upper Deck*

Join members of the faculty and staff, and the Orientation Leaders for a casual summer picnic lunch.

1:15 – 2:15 PM

ENGAGE, ACHIEVE AND SUCCEED WITH UNIVERSITY COLLEGE

*Student Memorial Center | Reighard Multipurpose Room*

Talk with team members in University College to learn tips on making the successful transition to MU and using the College’s academic resources to engage, achieve, and succeed during your first year and beyond.
2:30 – 3:15 PM  TRUE STORIES
Student Memorial Center, Reighard Multipurpose Room
Student Memorial Center | Room 024

True Stories is an opportunity for you to ask current students about their collegiate experiences. Ask them anything - from the best place to study on campus to general education course recommendations to the best pizza in town!

THE FORMAL ORIENTATION PROGRAM CONCLUDES
