BEFORE YOU ARRIVE

COMPLETE the MAP

The Marauder Arrival Program (MAP) provides you with a great overview of the University and identifies several tasks that you must complete prior to arriving on campus. If you have not yet completed the MAP, you are expected to do so by no later than **August 17**.

<https://orientation.millersville.edu>

A checklist of tasks can be accessed by selecting the check mark in the upper left corner of the MAP home screen.

AVOID the LINE

Skip the photo line at orientation by uploading your own ID photo before **August 18**.

Instructions for uploading your photo can be found at: <http://www.millersville.edu/univsvcs/ocidserv.php>. Look under the, "For New Incoming Freshman, Graduate Students and Transfer Students ONLY" heading. You will login to your myVILLE account to access the upload site.

There are specific requirements for the photo you submit:

- Stand in front of a light-colored background (no clutter in the background!)
- Head shots only - neck to top of head (don't cut off the top of your head!)
- No hats or sunglasses (we need to see your entire face!)

For more help, check out the wiki: <https://wiki.millersville.edu/display/ittac/ID+Card+Center+Photo+Submission>

Photos not meeting stated requirements will be rejected. You will then need to have your photo taken at orientation check in or at the mailroom in Boyer Hall at the start of the semester. If you are on campus before **August 23**, you can visit the mailroom in Boyer Hall weekdays between 8:00 AM and 4:00 PM to have your photo taken.

The uploading of photos stops at midnight on August 17. Photos will not be accepted after this time.

THE BIG WIN

New Student Orientation is your chance to win some fabulous prizes! Each program or event you attend during orientation will be worth points in the MU 2018 Orientation Scavenger Hunt.

You can score your first points beginning **August 21**. Once you've downloaded Scavify and found the Hunt, log back into the online MAP (<https://orientation.millersville.edu>) and retrieve the answer to the first Hunt question on the last page of the MAP. Instant points!

Marauder OneCard

If you previously provided a photograph for your Marauder OneCard (see *Avoid the Line* above), you will receive your card at orientation check-in.

If you do not have a photograph on file, University Services will be able to take your photo and prepare your ID while you wait.

Parking Decals

Parking decals should have been ordered through your MAX account before arriving on campus, as they take at least 24 hours to process. If you have ordered your parking decal prior to arrival you can pick it up at Lebanon House during normal business hours. You will need to show your Marauder OneCard in order to pick up your parking decal.

There is a one-week "grace period" from **August 27 – August 31** where no tickets are issued to vehicles without parking decals. Vehicles on campus after **August 31** without decals or parked in incorrect parking spaces will be issued tickets.

Orientation Schedule

A complete schedule of weekend activities is available [online](#). In our effort to promote sustainability, we do not provide printed copies of the schedule. You are encouraged to download and print a copy for your use or save it to an app that you can access from your mobile device.

Note that, while your formal orientation is Friday and Saturday, you are encouraged to participate in orientation-related programs throughout the weekend. *Meals in the dining hall are covered for you from lunch on Friday through Brunch on Sunday.*

YOU'RE INVITED!

A reception for commuting students will be held on Saturday, **August 25** from 7:30 PM to 9:00 PM in the Student Memorial Center Club De'Ville. Join other commuter students and Orientation Leaders for light refreshments and a chance to connect with other "Mobile Marauders."
