

The current world health crisis has required both innovation and flexibility in aiding you as you prepare to start your MU experience. MU To-Go is a “come when you can, take what you need, leave when you want” online program to help you complete some required tasks prior to starting classes in the fall.

All sessions are hosted “live”; you will be able to interact with the MU staff, faculty, and students of the “To-Go Team” who are eager to assist you. To participate fully, you are encouraged to have:

- An internet connection – broadband wired or wireless (3G or 4G/LTE). Minimum bandwidth is 600kbps (up/down) and recommended is 1.5 Mbps (up/down). Check your Internet bandwidth using SpeedTest.
- A camera either on your laptop or phone or a webcam connected to your desktop; you will be asked to turn your camera on to participate in the meetings.
- A microphone – built-in to your computer or a USB plug-in or wireless Bluetooth.
- A headset plugged into your laptop or desktop can be helpful in reducing the echo some computer speakers generate.

You will receive information via your MU email account about the MU To-Go programs throughout the summer. To participate, respond to the survey link in the email. A participation link to that program will be provided to you in a subsequent email.

QUESTIONS AND ANSWERS

The following are “drop in” opportunities. You may come in and out of the space throughout the listed time, asking questions and connecting with current members of the MU Community.

9:00 a.m. – Noon

Current Student Q&A

Ask us anything! Current students can share their incoming student experiences and how they have learned to be successful at MU; they’ll be happy to answer your questions about what life at Millersville University is “really like.”

Connect with Admissions

Representatives from Admissions are available to answer your questions and direct you to helpful resources.

9:30 a.m. – Noon

Get Connected! Logging in to your MU account

A member of the To-Go Team is available to demonstrate accessing the basic suite of online student tools and resources, including myVille, MAX, D2L, Get Involved, and the Get Mobile app. You’ll be able to follow along on your own device and be an expert in no time!

Check your Credits (for transfer students)

Meet with a Transfer Admissions Counselor to verify that MU has received all your transcripts, review your transfer credits and ask any questions about your final credit evaluation.

Degree Audit Review (for transfer students)

Speak with a Student Success Coach about your current degree status and what you need to be taking for an “on time” graduation.

9:30 – 10:30 a.m.

Housing Q&A

Professionals from HARP will answer your questions about housing assignments, what to bring (and leave home!), and life in on-campus housing.

Student Financial Services Q&A.

Representatives from Student Financial Services are available to answer your questions about financial aid, award letters, and paying for college.

PRESENTATIONS

The following sessions are formal presentations that will start at the listed time. All presentations occur within a breakout room located in the same Zoom space. Please be on time so that you don't interrupt the presentation already in progress.

10:15 – 10:45 a.m.

Meet the Director – Honors College

You and your family members are invited to discuss the Honors College with Dr. Elizabeth Thyrum and current Honors College students. You are welcome to attend even if you have not previously been invited to participate in the Honors College program.

Activities and Organizations at MU

Department of Campus Life staff will answer your questions about student activities, student clubs, fraternity and sorority life, and student leadership development.

10:45 – 11:15 a.m.

Managing your Money in College

Presented by MU's longtime campus partner, the Pennsylvania State Employees Credit Union (PSECU), this session is meant to help you, especially if you are in your early years of college, learn about money management tips. Content includes key terms, common myths, and the impact of credit on college students.

Student Confidentiality and You (for parents and family members)

One of the challenges in supporting your college student is the change in access to your student's academic record. The University's ability to share information is governed by the Family Education Rights and Privacy Act, or FERPA. Professional staff from the Registrar's Office will review the law and how information about your student is protected.

11:15 a.m. – 12:15 p.m.

Navigating your Degree Path

Faculty from the Office of Academic Advisement and Student Development will provide a guide to understanding your degree requirements and the process of scheduling classes.

Managing the Transition (for parents and family members)

If this is your first student in college, it is highly recommended that you attend this session. Attending college will be a transition not only for your student, but for you as well. Hear from faculty in the Center for Counseling and Human Development on how to prepare for your own transition and how to support your student in their first year of college. "Seasoned" parents are welcome to participate!
