

TIMELY WARNING

Missing Student Matthew Mindler – West Villages August 26, 2021

This communication is prepared as part of the timely warning requirement of the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act of 1990. This federal law requires a general communication to the campus community of all crimes reported to campus or local police departments that may pose a threat to the campus community. Such reports shall be provided to students and employees in a manner that is timely and that may aid in the prevention of similar occurrences.

Police are asking for help in finding 20-year-old Matthew Mindler, a first-year student from Hellertown, PA, who has been missing since Tuesday evening August 24, 2021. Matt was reported missing to University Police late last evening after he did not return to his room or return phone calls from his family. Matt was last seen walking from his residence hall, West Villages toward the Centennial Dr. parking lot area at 8:11 p.m. Tuesday night. He was wearing a white Millersville University hooded sweatshirt with black stripes on the arm, a black backpack, jeans and white sneakers (please see photos below). Matt attended classes Monday and Tuesday but did not attend yesterday or this morning.

University Police are in contact with Matt's mother and are working with campus staff for assistance in locating Matt. University Police filed a missing adult report with the National Crime Information Center this afternoon, less than 24 hours after the initial report and have also notified local police departments.

If anyone has any information on Matthew Mindler's whereabouts, they are asked to contact Millersville University Police at 717-871-4357 or chief Pete Anders at peter.anders@millersville.edu 717-871-5972. Information can also be confidentially reported through the [Millersville LiveSafe Safety App](#).

This warning should remain posted on the outside of the residence hall and resident student activity buildings in this area until September 9th, 2021 or until Matthew Mindler is located.
