** = Specific course is required. * = Course of this type required. # = Core elective (four required).

Approved Jan. 2016

33 credit hours in Psychology required (incl. 4 Core Electives). Free Electives can be used for Minor.

Math Options: MATH 101 or 130 (or higher) required before PSYC 211. MATH 101 does not fulfill Gen Ed Req

PSYC Courses that count as Writing Intensive (W) courses: PSYC 211/311/319/329/337

Careful scheduling in consultation with an assigned advisor is important if the student is to complete the program in three years.

Taking three courses per summer instead of two can complete their studies without the need for courses during the third summer.
