Which non-degree courses should I take?

- 1) Consult the School Counseling Curriculum Form (revised 5/02) to view the course categories.
- 2) Consult the course schedule booklet for course offerings.

How many credits may I take as a non-degree student?

You may take up to 12 credits as a non-degree student.

How do I register for courses as a non-degree student?

To register for courses with an EDFN or SPED prefix:

Follow the registration procedure as outlined in the course schedule booklet (available in hardcopy from the Registrar or online).

To register for courses with a PSYC or SCCN prefix:

- 1) Complete the Non-degree Student Course Waitlist Request Form (available online)
- 2) Fax the Request Form **and** an unofficial transcript of non-degree coursework that you have completed or are currently taking to Dr. Claudia Haferkamp, Graduate Program Coordinator of the Psychology Dept. Requests will be placed on a waiting list in the order received.

3) Please be patient. If there is space available in the course(s) after degree students have registered, Dr. Haferkamp will contact you to inform you that you may now register for the course(s). As interviews for degree students often take place after registration has begun, it may take several weeks for you to receive notification of space availability and permission to register.

4) Once you receive permission to register, you may register for the course(s) following the registration procedure as outlined in the course schedule booklet.
