ATTENTION

Students must pass the **Core Competency Exam** based on the three Core Courses in order to be eligible for Degree Candidacy and to progress to Skills II and Skills III courses.

A **passing grade** must be earned in Skills I courses in order to progress to Skills II and Skills III courses.

Students **must** be admitted to **Degree Candidacy** prior to enrolling in Skills II courses and before they may progress beyond 18 semester hours of course work in psychology.

Specified courses and a total of 42 s.h. must be completed in order to earn an M.S. degree in psychology (School Psychology Program requirements).
