

TESTING REQUIREMENTS FOR CERTIFICATION IN SPECIALTY AREAS

Testing requirements are dependent on certification type, so please make sure you are registering for the appropriate tests for your certification area.

Praxis Tests Administered by ETS - http://www.ets.org/praxis/pa/				
Certification Area	TEST TITLE	Paper Delivered Test Code	Computer Delivered Test Code	QUALIFYING SCORE
Principal K-12	School Leaders Licensure Assessment	----	6011	163
School Counselor	Professional School Counselor	0421	5421	156
School Psychologist	School Psychologist	0401	----	150
Supervisory	Educational Leadership: Administration and Supervision	0411	5411	143

Please note: The PAPA tests are **not** required if you currently have a PA Instructional Certificate.

Pre-service Academic Performance Assessment (PAPA) Tests Administered by Pearson - http://www.pa.nesinc.com/				
Certification Area	Test Title	Test Code	Qualifying Score	Minimum Composite Score**
School Nurse*	PAPA Reading	001	220	193
	PAPA Mathematics	002	220	197
	PAPA Writing	003	220	192

***School Nurse Certification** requires a copy of an RN license **or** PAPA test scores.

**The sum of the three PAPA tests must total or exceed a composite score of 686.

Important Information Regarding Certification Testing

- You must list Millersville and Pennsylvania Department of Education (PDE) as score recipients when applying for your tests.
 - Millersville's Recipient Code for Praxis (ETS): **2656**
 - Millersville's Recipient Code for PAPA (Pearson): Choose Millersville University of PA
- Please use your Social Security number when registering for tests. If you do not provide it, your scores cannot be processed electronically and may cause delays at MU or PDE.
- Print and save a copy of your score report (PDF) to your computer as they are only available for 45 days after you receive your scores and this is the **ONLY** official copy you will receive. Millersville cannot distribute copies of your scores.
- A list of the Test Center codes can be found online at either:
- Test preparation materials are available on the testing agencies websites.
