

Are you planning on graduating in Fall 2020 or Winter 2021?

If so, Congratulations!!

Along with the GRAD 999 course (CRN 4080) you should be registered for in Fall 2020, you will also need to submit a graduation application.

We are going to be **launching an ONLINE graduation application form** which will be routed electronically to all approvers. This will make it much easier for you to apply for your degree with the limited access to campus and encouraged social distancing that we are experiencing in Fall 2020.

This form will be **available starting on September 28, 2020** and will be **due October 26, 2020**. It will be accessible via MAX, the student forms center and the commencement website.

The commencement website will be the hub for details as they emerge regarding December as well:

Stay safe and have a great start to your Fall semester!

*If you have already submitted a PDF form via email to our office, we will process it, there is no need to complete an additional form. But, if you have not submitted, please wait until the launch of the electronic form to submit.
