Withdrawal/Leave of Absence Information

INFORMATION REGARDING WITHDRAWALS

- Students withdrawing from the university that are planning to re-enroll at some future date will be required to submit an application for re-admission to the Admissions Office.
- An immediate withdrawal means that you may no longer reside in university housing, use a meal plan, or receive a financial aid refund check. **This will be processed with the date of receipt, not when it was signed.**

INFORMATION/REQUIREMENTS REGARDING LEAVE OF ABSENCES

- To be eligible for a leave of absence you must have completed at least one semester in an undergraduate degree-seeking program at Millersville and must be in good academic standing (Cumulative MU GPA 2.0+). If you do not meet the requirements, you will be withdrawn and must submit an application for re-admission to the Admissions Office.
- A leave of absence is limited to a maximum of two consecutive terms.
- If a student fails to return from a leave of absence by the term indicated above, the student will be withdrawn from MU.
- An immediate leave of absence means that you may no longer reside in university housing, use a meal plan, or receive a financial aid refund check. **This will be processed with the date of receipt, not when it was signed.**

INFORMATION REGARDING BOTH WITHDRAWALS AND LEAVE OF ABSENCES

- For a **MEDICAL** Withdrawal/Leave of Absence, please contact or visit the Registrar's Office in Lyle Hall for more information (717-871-5005).
- Grades of "W" will be assigned to students who withdraw or take a leave of absence from the university between the 2nd and 10th week of class. Regular letter grades will be assigned from the faculty to students whose form is received after the deadline to withdraw from a class. For information on the winter & summer terms, please contact the Registrar's Office.
- If you are a recipient of financial aid, including loans, contact the Office of Financial Aid (Lyle Hall – 717-871-5100) to discuss the impact of withdrawing or taking a leave of absence on your aid package for this and subsequent semesters. When your withdrawal is processed, the Office of Financial Aid will consider you not enrolled and act accordingly. Depending upon the time of the semester you withdraw, it is possible that all of your aid may be returned (as required by federal law) and you may be personally billed for the semester.
- Visit the Office of Financial Aid's website for specific information and deadlines concerning some of the effects withdrawing or taking a leave of absence may have on your financial aid:
<http://www.millersville.edu/finaid/eligibility/withdraw.php>
- No matter when you withdraw: a) you may still owe the university money; or b) monies may be returned to your lenders, not you personally.
- You can check on the percentage of tuition and fees that will be refunded back to you by consulting Student Account's website (<http://www.millersville.edu/osa/>) or by contacting them directly (Dilworth Hall – 717-871-5101).
- The deadline for a total withdrawal or leave of absence from a term when you would be given Withdrawal grades for your classes is the end of the 10th week of the semester. Any forms submitted after the 10th week will result in you getting grades as earned.
- Withdrawal grades do not affect your grades negatively but do reduce your percent of progress, which is required for some financial aid programs.
- Processing a leave of absence or withdrawal means that you may no longer reside in university housing, use a meal plan, or receive a financial aid refund check after the date of your withdrawal.
- After a withdrawal from the university, readmission to Millersville is not guaranteed.
- If you have on-campus housing, you must contact University Housing and Conference Services. Questions about housing/dining fees being charged or refunded should be directed to University Housing and Conference Services (Lombardo Welcome Center – 717-871-4200).
