GRADES AND POLICIES from Millersville University Undergraduate Catalog

Withdrew (W). The notation made on a student’s record about a withdrawn course depends on when the student withdraws. Students who “drop” or withdraw by the end of the first week of classes have all references to that course deleted from their records.

Students will be permitted to withdraw from a course and receive a grade of W up until the end of the tenth week of the semester.

The W grade does not carry any quality points and will not be calculated in the student’s GPA. There will be no limit on the number of courses from which the student may withdraw. After the tenth week of the semester and through the last day of classes, students who withdraw will receive a non-W grade which will be determined by the instructor consistent with University policy.

The official date of withdrawal is the date the withdrawal form is submitted with proper signatures to the registrar’s office. Deadlines for returning the form are strictly enforced. It is the student’s responsibility to obtain all required signatures (both course instructor and adviser) in time to meet the deadline.

Refunds for tuition and general fees shall be made only for full semester withdrawals.

Withdrawing from a class could affect your financial aid. Please discuss this with the Financial Aid Office (Lyle Hall) before withdrawing.

Refund Schedule available online at Millersville University Bursar’s Office home page.
