MAX WEB - HOW TO LOG ON

First, you need to activate your account through the MyVille Campus Portal - www.millersville.edu and click (at the top of the page) Current Students > Logins > myAccount@MU. (the direct link to this is myaccount.millersville.edu)

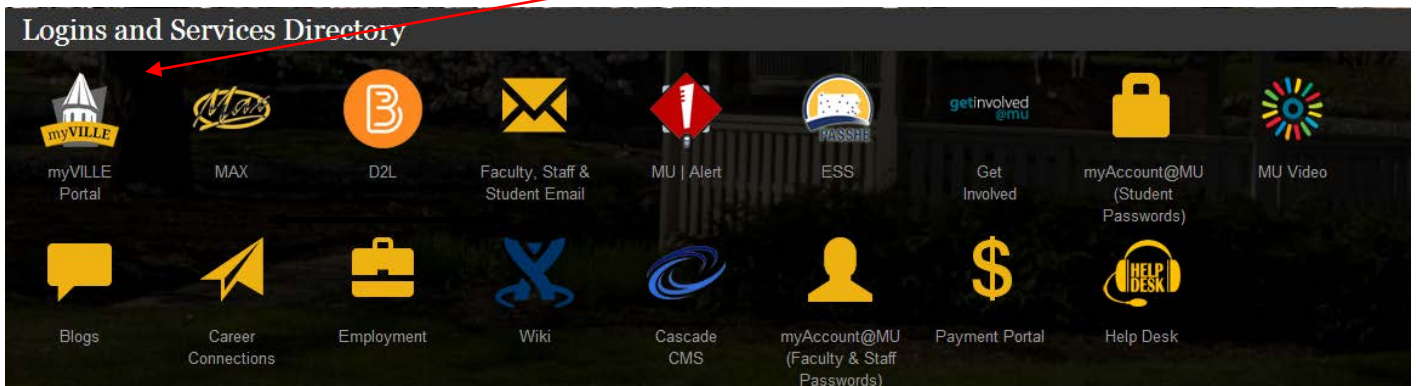

Once you are on the Account Maintenance page, click on First Time Account Setup to create your myVILLE account, which will be used to access MAX and other information. You may also reset and change your myVILLE password from this page as well.

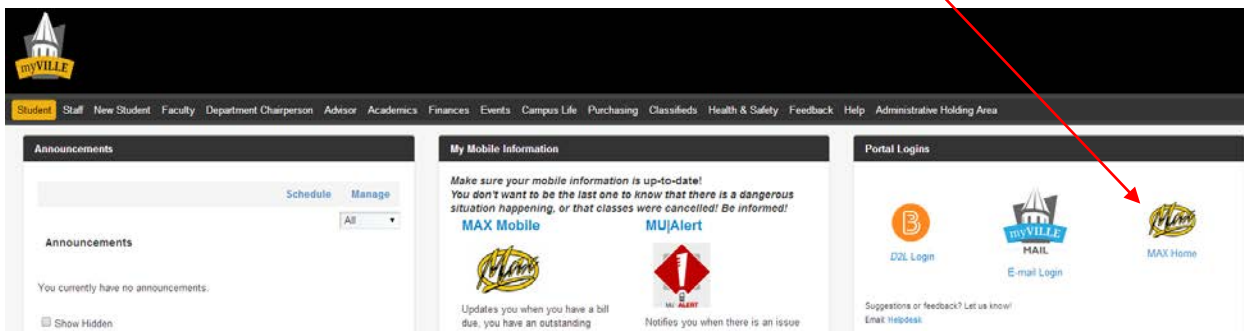

Logging onto MAX

From the Current Students > Logins link, click on myVILLE Portal and enter your new created user name and password

Once you are logged into the myVille portal, click on MAX Home to access MAX.

If you have difficulty logging in, contact the Help Desk at 717-871-2371 for assistance.

After you have successfully logged on, you will see the following screen with these menu choices:

Welcome [] to the MU Banner Web Information System! Last web access on Jul 07, 2008 at 03:29 pm

Millersville University complies with the Family Educational Rights & Privacy Act of 1974 (FERPA). Faculty & staff viewing student records are reminded that this information is confidential. Please refer to the FERPA statement, or contact the Registrar's Office.

ADVISERS

Need to know who your adviser is?

By selecting the **Advisers** button you will be provided with adviser information, including name, campus phone, and email address.

Degree Audit Reporting System

What is a Degree Audit?

With Degree Audits, students and advisors can:

Track – View all completed and in-progress courses as they apply to a student’s declared degree, major, option and minor requirements.

Transfer credits, waivers and exceptions to graduation will all appear on the audit to help track progress.

Prepare – Click on courses within degree requirements to see course descriptions, currently scheduled sections and to view pre-requisites.

See how courses would apply to another major, minor or concentration using the “What If” feature.

Plan – Use the “Look Ahead” feature to enter planned courses and see how they apply to the degree requirements.

Degree audits **are available** to all current graduate and undergraduate students seeking degree programs at Millersville University.

Degree audits are **not** available to prospective students at this time.

Degree audits are **not** currently available to students in the following programs: teacher certification, post-masters certification, certificate or non-degree.

Advisement Before Registration

Advisement is required for all undergraduate students. Well in advance of your registration time, meet with your adviser to discuss your degree program and course selection options, as well as any other concerns you may have. After you register for classes, be sure to review your degree audit to see how your courses will meet the requirements of your program.

Changing Your Major

If you plan to change your major, you must submit an approved **Change of Major** form to the Office of Academic Advisement in Lyle Hall by that office's deadline. **Change of Major** forms are available at the Academic Advisement Office, Lyle (second floor) and, for your convenience, on the web at the [Student Forms Center](#). They require the signatures of your adviser and department chairperson. If you delay in filing this form, your major change may not be processed in time for your registration, and you may not be able to register for courses restricted to your new major.

Questions About an Audit

If you have questions about a degree audit, or you think there might be errors or discrepancies, contact one of the offices listed below for further assistance:

- For curricular questions about the major, minor, or general education requirements, contact the chairperson of your major department.
- Contact the [Registrar's Office](#) for questions concerning transfer courses, Millersville courses and grades, and in-progress courses.
- For questions regarding exceptions to graduation requirements, a change of major or minor, or for assistance with any other type of question, contact the [Office of Academic Advisement](#).

What-If Degree Audits

A 'What-If' audit allows you and your adviser to see the effects of changing a major or option, declaring a major, or adding or changing a minor before officially changing your record. If you are undecided about a major, the what-if audit is a useful tool to try out different majors and see how your courses will meet the requirements for those programs.

'What-If' audits are best used for single majors, with multiple concentrations or minors.

'What-If' audits can be run for multiple majors within a degree program (for example: Psychology and Sociology since both majors are Bachelor of Arts)

'What-If' audits can't be run for multiple degrees (for example: a Bachelor of Arts in Psychology and a Bachelor of Science in Biology). Separate What-If audits would need to be run for each degree/major in this case.

For multiple majors or or multiple degrees, some requirements may alter slightly when your record is officially changed. For example, a major in Geography requires a minor to be declared which is waived if you have a second major. The 'What-If' audit is unable to recognize that you have declared multiple majors, so it will not waive the minor requirement.

If the term you are registering for requires a TAP (Term Advisement PIN), you will be asked to enter it after selecting the term. The only terms that require a TAP are Fall & Spring.

Search for classes even if it is not your time to register.

The choices on the Registration Menu allow you to do the following:

1. **Check Your Registration Status** - This allows you to view your status for registration and how many credits you have earned, and determines when you can register. This information also includes your declared major, if you have a hold, if you have been given a registration override, etc.
2. Use **Add/Drop Classes** to register online for classes at your scheduled registration time.
3. View your **Placement Exam Scores**, and check to see if you are eligible for APS, Honors College courses and downtown classes.
4. View your fees after you have registered. To do this, select "**Registration Fee Assessment.**" If no fees appear and you have viewed your schedule, charges have not been set for that particular term. A bill will be sent to you from the Bursar's Office. For more information on the Bursar's Office please see page 25.
5. "**Web Search for Classes**" even if it is not your time to register. This option will allow you to see class availability. You can search by subject, course, time, or general education requirements.
6. **View/Print Class Schedule** - View your class schedule with day, time and notes (refer to page 20).

7. View/Print your "**Student Schedule by Day and Time**" in a grid format (refer to page 20.)
8. View information and instruction on how Wait Listing works (more information on page 21)
9. View your academic advisers.

HOW TO REGISTER FOR CLASSES

At your scheduled registration time:

1. Select term
2. Select "Add/Drop Classes"
3. Type the CRN directly in the "add class" box and click on "submit changes."

OR

Click on the "class search" button to find a class, add it by checking the box to the left of the desired course and then click on the "Register" button.

- *Note: CRNs can be entered all at once or one at a time before submitting changes. Be sure to enter all the CRNs for a lecture-lab-recitation. They must be entered at the same time or you will get a link error.*

TAP (Term Advisement PIN)

All undergraduate students are required to have a TAP in order to register for the fall or spring terms. You will receive your TAP from your adviser during the advisement period. Entering transfer students are exempt from having a TAP their first semester. However, transfer students are required to have a TAP beginning with their second semester.

The screenshot shows the 'Add/Drop Classes' web interface. At the top, there are navigation tabs for 'Personal Information', 'Student Services', and 'Financial Aid'. Below these is a search bar with a 'Go' button and links for 'RETURN TO MENU', 'SITE MAP', 'HELP', and 'EXIT'. The main heading is 'Add/Drop Classes:' followed by a horizontal line and the selected term 'SPRING 2007'. An information icon and text explain the interface's purpose. A list of help topics is provided, with an arrow pointing to the 'HELP' link in the top right. Below this, instructions about the 'Wait List' and 'Submit Changes' button are shown. A 'Registration Help' note is also present. The 'Add Classes Worksheet' section features a row of input boxes for CRNs, with arrows pointing to the first two boxes and the 'Submit Changes' button. A 'Class Search' button is also visible. At the bottom, there are links for 'View Tuition and Fees', 'View Holds', and 'Wait List'. A yellow callout bubble points to 'SPRING 2007' with the text 'Shows the term for which you are registering.' A white callout box at the bottom states 'Type in CRNs here and submit changes OR click on Class Search'.

WAITLIST INFORMATION

[\(Please see the Waitlisting Tutorial for Students on the Web Schedule and Registration Guide on the Registrar's Website for more detailed information regarding the waitlisting process\)](#)

A waitlist is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed). To add yourself to a wait list:

Add a course by typing in the CRN in the 'Add Classes Worksheet' and click 'Submit Changes'. If the course is closed, you will usually see one of the following 'Registration Add Error' messages:

Registration Add Errors

Status	Action	CRN	Subj	Crse	Sec	Level	Cred	Grade	Mode	Title
Closed - 0 Waitlisted	None	4990	OSEH	120	01	Undergraduate	3.000	Undergraduate	Standard	Letter Fund of Safety, Hlth, Env Issues

Add Classes Worksheet

CRNs

Submit Changes Class Search Reset

1. Closed - # Waitlisted:
 - a. Closed indicates no regular seats are available.
 - b. The number provided indicates the number of students currently on the wait list.
 - c. The student can only waitlist this course.
2. Open - Reserved for Waitlist:
 - a. Open indicates regular seats available
 - b. Reserved for Waitlist indicates the available seats are reserved for a student or students on the waitlist for the course
 - c. The student can only waitlist this class since, currently, waitlisted students have preference.

If you can waitlist a class, select 'Wait List' from the 'Action' menu and click on the 'Submit Changes' button. Once a seat becomes available, you will be notified through your Marauder email account that you are able to register for the CRN number you selected to wait list.

YOU WILL NOT BE AUTOMATICALLY MOVED FROM THE WAIT LIST INTO A COURSE.

Once you receive notification, you will have a finite amount of time (noted in the email notification) to add the course via MAX. As a courtesy to your fellow students, please

drop yourself from any courses you are waitlisted for that you don't intend to take. You remove yourself from a waitlisted course through MAX using the same method you use to drop yourself from a registered course.

Many regular registration rules apply to the waitlisting process. Inability to waitlist or move from a wait list into a course may be due to one or more of the following registration restrictions:

- Class level
- Duplicate courses
 - You can only waitlist for one section of a course and you cannot waitlist for a section of a course you are already registered for.
- Field of Study (Major/Minor/Concentration)
- Pre/Corequisites
- Preapproval from the instructor/department
- Time conflicts
- Maximum credits exceeded
- Others (refer to the Registration Error Message section below)

Note regarding waitlisting and multi-component classes

If you want to waitlist for a class that requires a lab and/or recitation, you need to waitlist for the lecture section of the class only.

If you receive a waitlist notification confirming that you can add the section off of the waitlist, you need to register for the lecture and the lab and/or recitation simultaneously by:

- Locating an open lab/recitation section attached to the lecture through the [Web Schedule](#) AND...
- Logging into MAX and go to Registration - Drop/Add Classes AND...
- Changing the Action button for the lecture from Waitlisted to ****Registered**** AND...
- typing in the accompanying lab/recitation CRNs in the Add Classes Worksheet near the bottom of the page AND...
- clicking on Submit Changes.

REGISTRATION ERROR MESSAGES

REGISTRATION ERRORS

The following is a list of the registration errors you might receive while registering online for classes (the errors messages will come up under Status after attempting registration):

 **Registration Add Errors**

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade	Mode	Title
Level Restriction	8347	ART	567	01	Undergraduate	3.000	Graduate	Standard	Letter Advanced

1. **Permission of Instructor Req.** To obtain written permission, please contact the department chairperson for an override and/or submit a Permission to Enroll in a Restricted class form (see below) to the applicable department.
2. **CRN does not exist.** The CRN you entered is incorrect; please check the schedule booklet or web for the correct number. This usually occurs if you submitted the wrong term. Please be sure the term and the CRN match.
3. **Level Restriction.** Course is restricted to a different level than your course level (in this case graduate student). To obtain an override, you must submit a Permission for an Undergraduate Student to enroll in a Graduate Class form (see below) to the applicable department. Once signed, this form is processed in the Registrar's Office.
4. **Section status prohibits registration.** This course is currently not available; the course may be on hold, closed or cancelled. Look the course up on
5. **Linked course required.** If you get this message you need to register for the other course components, i.e., lecture, lab or recitation. Be sure to enter all CRNs which are required for the class. (Example: register for CHEM 111.00 lecture AND CHEM 111.0A lab)
6. **Field of Study Restriction.** Course is restricted to students with a particular major, minor or concentration. To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.

7. **Prerequisite and Test Score error.** This course has prerequisites or requires a placement test score that you have not obtained/completed. To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.
8. **Class restriction.** Course is restricted to a class level determined by credits earned (Senior (90+), Junior (60-89), Sophomore (30-59) or Freshmen (0-29)). To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.
9. **Degree Restriction.** Course is restricted to a certain degree program (ex. BSE). To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.
10. **Time conflict with CRN #####.** Course conflicts with another class you are registered for. To obtain an override for this restriction, a Permission to Enroll in a Class that has a Time Conflict form (see below) is required. Once approved, this form is processed in the Registrar's Office.

PERMISSION FORMS

"Permission to Enroll" forms are available online on Millersville's website in the Student Forms Center (<http://www.millersville.edu/forms/>):

[Permission \(Academic Department\) to Enroll in a Restricted Class](#)

Use this form to receive permission from the faculty to enroll in a course that has restrictions; such as permission required, prerequisites, limited to majors or class level (Jr., Sr., etc.). Note that any permission granted by this form also allows you to waitlist for a course otherwise unavailable to you. *The completed form will be processed by the academic department, but you will still be responsible for registering for the course.*

[Permission for an Undergraduate Student to enroll in a Graduate Class](#)

An undergraduate student who wishes to take a graduate 500-level course must have this form completed by the department offering the course. *The completed form will be processed by the Registrar's Office.*

[Permission to Enroll in a Class that has a Time Conflict](#)

If you have two courses that have a time conflict and one of the faculty is willing to work with you about missed time, please use this form. Register for the first course on MAX and bring this form to the Registrar's Office so you can be granted permission to register for the second course.

NOTE: The overlap in classes should not exceed 15 minutes.

REGISTRATION TIPS

- **Before you register**, *meet with your academic adviser to discuss appropriate classes and to also receive your TAP (Term Advisement PIN), if applicable (see page 14).* Make a list of the courses and CRNs you plan to take. Have several alternative courses ready in case your first choices are not available.
- **Check for open sections.** There are two ways to do this from the MU home page:
 - ◆ Select the MAX icon; select "Student Services," then the "Registration" menu, then "Web Search for Classes." You can also click the Class Search button to look for open sections when you are registering.
 - ◆ From the Registrar's homepage (www.millersville.edu/registrar/), select "Web Schedule" and follow directions to search for open sections. Check the list on a regular basis for new sections or for available seats in previously closed sections.
- **New Transfer Students** if you are attempting to register for a course with a prerequisite that is not yet transferred to your MU record, contact the Registrar's Office (717-871-5005) for assistance in completing the registration for this course.
- **If a course is closed**, place your name on the waitlist. See page 21 of this booklet for more details. You may also contact the department chairperson for permission to enroll in a closed course (in doing so, you will need to fill out the "Permission to Enroll in a Class" form).
- **Remember to click on the "Submit Changes"** button before exiting the registration form.
- **Don't panic!** There are many sources of assistance, including your major department chairperson, assigned academic adviser (see DARS printout), and the Office of Academic Advisement.

BURSAR - STUDENT ACCOUNT

To review your student (billing) account select one of the following menus:

1. To view your **Semester Bill or Credit Card Payment**, select the first menu option.

2. To view and print information sent to the IRS for the tax year, select **Federal Tax notification**.
3. **View Holds**. Before you register for classes be sure to check this menu. If you have a hold please contact the department that has originated the hold to resolve the issue.
4. **Financial Aid**. Review your financial aid status. Any questions relating to your financial aid should be directed to the Financial Aid Office (This menu is also available from the Student Services page).
5. **View E-Bill**. Review and print out an E-Bill of the semester.

NEW!

NATIONAL STUDENT CLEARINGHOUSE GATEWAY

Enrollment Verifications, Deferments and other services.

Free self-service enrollment verifications are now available to MAX users through the National Student Clearinghouse. Using the web puts the control in your hands, saves you a trip to the University and is quick, easy and convenient. In a format that is widely accepted by health insurance, credit issuers, housing providers, employers and others, the verification report includes the enrollment term dates and indicates full-time or part-time status.

This self-service report, however, may not be used for student loans. If a student has a deferment form from a loan agency (AES, Sallie Mae, etc.), the form can be submitted through the Registrar's Office. The agencies themselves can verify your enrollment through the National Student Clearinghouse.

When can you get an enrollment verification?

- Previous terms are always available.
- **Future spring and fall terms are available one week before the term begins.**
- Summer terms are available the week after the summer term ends.

INSTRUCTIONS:

1. Go to the MU webpage (www.millersville.edu) and logon to MAX.
2. Select Student Services.
3. Read the information and then link to [National Student Clearinghouse Gateway](#).
4. Select "[current enrollment](#)" or "[all enrollments](#)."
5. Select "[Obtain an enrollment certificate](#)."
6. Print your enrollment verification form.
7. Logoff the National Student Clearinghouse website.
8. Submit the enrollment certificate to your health insurer (or whoever requires proof of your enrollment status)
