

Biology Academic Support - Remote Mentoring Schedule - Spring 2021

Academic Mentors are available via Zoom to provide biology course assistance during the following times, either in the form of drop-in assistance or one-on-one assistance. Courses listed in a particular study block are those for which assistance can be provided by the peer mentor on duty.

Color Scheme:	Drop-in Support for Courses. No appointment necessary. See course D2L for Zoom Information.	One-on-one Support by Appointment - see below for information on how to schedule.	Biology Support for Athletes.	Biology Mentorship Program meetings (bi-weekly) for Underrepresented Biology Students.	Success Coaching with Ryon Freeman

One-on-one sessions with Biology Academic Mentors are available in 30min increments during the times shown in blue. We may also be able to accommodate other times as well. To schedule an appointment with a mentor, click on the link to the right and complete the short form - we'll get back to you with a meeting time and Zoom information. For questions or help with scheduling Academic Support, email ohmedina@millersville.edu.

Click [HERE](#) to schedule a 1-on-1 session.

If you need assistance with a Biology course not listed in the above schedule, or if you have any other questions about biology academic support or mentorship opportunities for biology majors, contact Dr. Horton at brent.horton@millersville.edu.

Click on the link to the right to schedule a one-on-one appointment with a Success Coach for helpful guidance on setting goals, test preparation, study habits, time management, and more. For questions or more information on Success Coaching, contact Ryon Freeman at ryon.freeman@millersville.edu.
