Success Coaching Program Description:

Success Coaching focuses on supporting students holistically, aiding students in making connections on campus, and empowering students to explore their values, set goals, and create action plans for academic and personal success. Success Coaches work with students on developing good study habits, organizational skills, time management, registration support and more!

One on One appointments:

Success Coaches will work with student to....

- Identify personal, social, and academic obstacles
- Discover campus resources
- Develop success plans
- Provide accountability and follow up

To Book an appointment Click [Here](#)

Open Coaching Hours:

Open Coaching provides students with the opportunity to drop in to ask a quick question or to seek study resources. This time is open to all students via zoom.

Open Coaching will take place

- Monday & Wednesday 9:30am-10:30 am
