

BACHELOR OF ARTS IN SOCIAL WORK (BASW) ONLINE DEGREE COMPLETION PROGRAM

The goal of the online Bachelor of Arts in Social Work program is to offer students with associate degrees the opportunity to complete their B.A. in Social Work through the convenience of a fully online curriculum.

The online Bachelor of Arts in Social Work degree promotes:

- Research-informed practice
- Implementation of best practices in supporting individuals, groups, families and communities
- Advocacy for social justice and human rights

The online Bachelor of Arts in Social Work (BASW) degree completion program has been designed to support students who have already completed their associate degree in human services, social services or a related field. The program has been developed within the framework of curriculum content outlined by the Council on Social Work Education (CSWE) accreditation standards. The courses are carefully sequenced so that students may build upon previous coursework.

PROGRAM BENEFITS

- Flexibility: 100% online courses can be started throughout the year
- 60-credit bachelor's program
- Helps students to gain more experience in social work and expand their career options
- Service learning gives students hands-on work experience in social work
- Field Education is a capstone field-based learning experience
- Classes starting every January, May and August

PROGRAM OBJECTIVES

- Learn about research-informed practice and practice-informed research
- Understand the effects of policy on practice
- Meet contemporary social, cultural, economic, political and global challenges
- Assess challenges and progress
- Intervene with research-informed practices
- Monitor and evaluate practice to inform decision-making
- Embrace core social work values
- Enhance human and community well-being
- Promote social and economic justice through generalist social work practice

PROGRAM PREREQUISITES

Completion of an associate degree in social services, human services or related area.

The following prerequisite courses or their equivalent acceptable transfer courses must be completed before officially beginning the Bachelor of Arts in Social Work Program:

- SOWK 102 Modern Social Welfare Dilemmas
