

STUDENT RESPONSIBILITIES

PLEASE REVIEW THE FOLLOWING SSTP STUDENT PARTICIPANT EXPECTATIONS AND SIGN BELOW

1. Have fun. There are lots of hands-on activities in your workshops.
2. Participate in all individual and group activities.
3. **Listen to and pay attention to your instructors and student assistants.**
4. Follow all safety rules in class. You may be required to wear goggles, gloves, or lab coats in some of the sessions.
5. Keep a notebook (notebooks and pens will be provided) of your daily activities.
6. Wear appropriate clothing as needed. Long pants and sneakers will be needed for the days that you are working outside or on outdoor field trips.
7. Attend all classes in your session. If you are ill or are going to miss a class, let us know by calling 717-871-4292.
8. Cell phones and electronic devices cannot be used during class periods. Students using these devices are not paying attention and are a safety risk to everyone else in the classroom. A student will receive a single warning about cell phone use and if they fail to stop using the device, they will be asked to withdraw from the program

Please note that students who skip classes, do not participate in activities, or are disruptive in class will be asked to withdraw from the program.

I have reviewed these expectations and agree to follow these instructions.
