SECTION A

PURPOSE

The purpose of this handbook is to inform students of their rights and responsibilities regarding the standards of conduct for the Millersville University community. In addition to providing a civic educational environment for intellectual pursuits, Millersville University is concerned with developing socially responsible citizens, ensuring the welfare and freedom of all members of the University community, and protecting individual rights.

PREAMBLE

The Student Code of Conduct supports Millersville University’s educational mission by setting forth standards of conduct for students and student organizations that are intended to sustain an environment for educational pursuits and individual development. The Code of Conduct also establishes due-process procedures that respect individual rights and freedoms. It is the charge of the Office of Student Conduct & Community Standards to balance between holding students accountable and creating a positive environment for learning. The University takes an educational approach to the enforcement of the Code of Conduct, intending that adherence to the Code will be a means for students to learn the importance of their responsibilities and the value of their rights. If a student feels as though their rights have been violated, they have the ability to file an incident report with the Office of Student Conduct & Community Standards. The Office of Student Conduct & Community Standards will diligently follow up on all complaints. The University appreciates every student’s right to make a complaint and does not tolerate retaliation. Any form of retaliation will be taken very seriously, and students will be held accountable accordingly.

In accordance with Title IX of the Education Amendments of 1972, it shall be the policy of Millersville University to prohibit the harassment and discrimination of students on the basis of sex. Furthermore, the University’s obligation is to provide educational programs and activities that do not discriminate on the basis of sex. The University will promptly investigate all allegations of sexual misconduct, harassment, or discrimination and will take appropriate corrective action, up to and including formal discipline, against individuals who violate the University’s policies.

Procedures for reporting allegations of sexual misconduct are set forth in section F of this document.
JURISDICTION

The Student Code of Conduct applies to all students and student organizations of Millersville University. “Student” for the purposes of the Student Code of Conduct refers to any person who accepts an offer of admission indicating intention to enroll at the University, including participation in a course or participation in a University-sponsored program. A person who is not enrolled for a particular semester but who otherwise has a continuing relationship with the University, including students who are on a medical leave of absence or serving an academic or disciplinary suspension, is a “student” for the purposes of this Code.

The classification of student is not limited to the physical campus of the University. Concern for the conduct of students extends to satellite and remote locations, wherever University operations are conducted, including the virtual, online learning environment of a student. Students will also be held responsible for their conduct regardless of their place of residence or whether their conduct occurred on or off campus.

The Code also applies to any group of students who have complied with the University requirements for recognition as a student organization. Members of a student organization may be individually held responsible or charged as a group for infractions and violations of the Code.

SECTION B: STUDENT CODE OF CONDUCT

Millersville University wants to ensure that all of our students and student organizations have an exceptional, productive and challenging educational experience in a civil and safe environment. In order to maintain such an environment, Millersville University has adopted this Student Code of Conduct in support of its mission to prepare students to become well-rounded individuals who become involved in productive roles as civic and community-engaged leaders and citizens.

The purpose of the Student Code of Conduct is not solely to punish students for transgressions, but to help them understand and accept their obligations as citizens of this academic community. The Student Code of Conduct reflects the University community’s concern that students and student organizations on our campus and in our communities maintain the highest standards of conduct. It guarantees due process and protects the individual freedoms of our students while holding students accountable for conduct that violates the terms of the Student Code of Conduct. Students are responsible for the actions of their invited guests. Violation of any policy by a guest of a Millersville University student may subject that student to disciplinary action.
via the Code of Conduct. Disciplinary action may be imposed on a student whose conduct violates the Code, whether that conduct occurs on or off campus. The Student Code of Conduct details the rules and regulations for students and student organizations. The Code of Conduct is reviewed annually by the Office of Student Conduct & Community Standards, and amendments to the Code must be approved by Millersville University’s president and Council of Trustees.

The following is prohibited conduct:

V.1. Conduct threatening the welfare of others: Acts which cause harm to another person or oneself, or threaten or endanger the health or safety of another person or oneself, or constitute harassing conduct. The prohibited conduct may be intentional or reckless and includes but is not limited to:

Additional information is available in our Student Organizations Guidebook.

SECTION C: SELECT POLICIES, GUIDELINES AND RESOURCES

PROCEDURES FOR REPORTING AND RESPONDING TO ALLEGED CODE VIOLATIONS

Any member of the University community may report alleged violations of the Student Code of Conduct to the Office of Student Conduct & Community Standards. All reports of violations of the Student Code of Conduct must be
in writing and should be submitted via the online incident report found on the Student Conduct & Community Standards web page. Please note that all emergencies/crimes should be immediately reported to the police by dialing 911.

- The Director of Student Conduct & Community Standards or designee will review incident reports and will determine whether there are sufficient grounds to initiate the Student Conduct & Community Standards process for violations of the Student Code of Conduct.

- The University conduct process may proceed independent of any pending criminal or civil charges and actions. The Student Conduct & Community Standards process outcome, including sanctions in the University Student Conduct & Community Standards process, will be determined independent of other criminal or civil proceedings.

- Students will be notified in writing when a complaint of an alleged violation has been received by the Office of Student Conduct & Community Standards. The student shall respond as required by the notice. Failure to respond accordingly to the notice may result in further disciplinary charges.

RESPONSIBLE ACTION POLICY

Millersville University holds the safety, security and well-being of its students as one of its highest priorities. The University prides itself on offering all of the benefits of a public institution while preserving a caring, individualized community. Millersville University recognizes that a student’s concern for potential disciplinary action while under the influence of alcohol and/or other substances may hinder a student’s actions in response to seeking assistance in certain emergency situations and/or reporting incidents.

It is imperative that medical attention be sought should concerns arise for a person’s own safety or the safety of others. This policy is intended to increase the reporting of incidents requiring emergency assistance during a life-threatening or drug/alcohol-related illness and will in turn result in increased safety for students and the campus community.

Policy:

As such, medical amnesty is in effect to ensure those students who seek assistance for another individual who may have consumed excessive alcohol or other drugs will turn to the appropriate personnel to seek emergency
medical assistance without fear of being cited for a violation under the Commonwealth of Pennsylvania’s Crimes Code or charged by the University for violating Section V.2.A, Alcohol or V.3, Drugs of the Student Code of Conduct if all of the conditions below are met:

1. The only way law enforcement officers or University officials became aware of the person’s violation of the Student Code of Conduct is because the person placed a 911 call, or a call to campus safety, police or emergency services, in good faith, based on a reasonable belief and reported that another person was in need of immediate medical attention to prevent death or serious injury.

2. The person reasonably believed they were the first person to make a 911 call or a call to campus safety, police or emergency services and report that a person needed immediate medical attention to prevent death or serious injury.

3. The person provided his/her own name to the 911 operator or equivalent campus safety, police or emergency officer.

4. The person remained with the person needing medical assistance until emergency healthcare providers arrived and the need for the person’s presence had ended.

CONFIDENTIALITY

The Office of Student Conduct & Community Standards will take every measure to ensure the privacy of all parties involved in the disciplinary process. Information related to disciplinary cases will be shared only with appropriate University authorities and law enforcement authorities as necessary for each case. Due to University obligations to investigate complaints, circumstances may arise which may limit the Office of Student Conduct & Community Standards’ ability to provide absolute confidentiality.

PARENTAL NOTIFICATION

These rights transfer to the student when they reach the age of 18 or attend a school beyond the high-school level. Millersville University must have written permission from the student in order to release any information from a student’s education record, including information contained in a record.
maintained by the Office of Student Conduct & Community Standards. FERPA does, however, allow for some disclosures without student consent.

In accordance with FERPA guidelines, Millersville University’s Parental Notification policy includes notifying parents of students who are under 21 years of age who have been found responsible for involvement in an incident in which there was an alcohol violation. Millersville University’s Parental Notification policy also includes notifying parents of students who have been found responsible for being involved in an incident in which there was a drug violation. Parental notification is an option within the law that will be subscribed to when deemed to be in the best interest of the student.

LOCAL LAW ENFORCEMENT

Millersville University students are expected to conduct themselves at all times in a manner that is consistent with the University’s Student Code of Conduct. Incidents that result in actions taken by any law enforcement agency, on or off campus, will be addressed by the Office of Student Conduct & Community Standards. Application of the Student Code of Conduct may proceed without a finding by a criminal or civil court.

• Citations: A nontraffic summary citation is a ticket issued when someone has committed a nontraffic-related summary offense. The citation is either handed directly to the defendant or sent via summons from a court of law. Both the Office of Student Conduct & Community Standards and local law enforcement will separately adjudicate citations.

• Criminal complaints: Charges that result in an arrest for an alleged criminal action.

• Disruptive conduct reports: A formal written warning issued by local law enforcement and adjudicated by the Office of Student Conduct & Community Standards.

CONDUCT ADVOCATE PROGRAM

A conduct advocate is a resource for students going through or involved in the disciplinary process at Millersville University. Advocates are here to help and guide both complainants and respondents (students accused of violating the Code of Conduct) in preparation for a University disciplinary hearing and will help students understand outcomes of disciplinary cases as appropriate. Conduct advocates also provide necessary support and resources to those who may have been victims of a violation of the Code. The advocates are well trained in the Student Conduct & Community Standards process and are neutral parties who have no influence on the outcome of the case.
SECTION D: STUDENT CONDUCT & COMMUNITY STANDARDS PROCESS

UNDERSTANDING THE STUDENT CONDUCT & COMMUNITY STANDARDS PROCESS

As members of the University community, Millersville University students are expected to act as responsible members and citizens both on campus and in the local community. In the event an incident or conflict arises in which the Student Code of Conduct is in question, the Office of Student Conduct & Community Standards administers the Student Conduct & Community Standards process for Millersville University.

It is important to note that our campus disciplinary process is not a criminal trial. It is a University proceeding designed to determine the facts pertaining to alleged misconduct. The University will apply a “preponderance of the evidence” standard in determining whether a violation of the Student Code of Conduct occurred. A preponderance of the evidence standard simply means that it is “more likely than not” that a violation occurred. This is in contrast to the “beyond a reasonable doubt” standard, which is the higher standard of proof required for a conviction in a criminal trial.

USE OF ADVISORS IN THE PROCESS

A student can have one advisor present with him/her at any stage in the Student Conduct & Community Standards process, whether a parent, member of the University community, advocate or attorney. At the discretion of the hearing officer(s)/hearing board, one additional advisor may be allowed. However, advisors may not speak in the process and may not question witnesses or participate otherwise in the hearing; rather, they may only communicate with the student. If the advisor charges a fee, the fee will be borne by the student.

ADMINISTRATIVE HEARING PROCEDURES

1. Upon receipt of a complaint of alleged violations of the Student Code of Conduct, the Office of Student Conduct & Community Standards will send reasonably specific advanced written notice of charges containing a description of the alleged acts of misconduct, including time, date and place of occurrence and the rules of conduct allegedly violated by the student. The student will be notified by University email with the date, time and location of the respondent’s scheduled administrative hearing meeting.
2. Failure to appear at an administrative hearing meeting, administrative hearing, University Conduct Board or SCCS Title IX Panel hearing for the scheduled dates and times may result in a decision being made in the absence of the student, which might result in additional charges and sanctions, including Failure to Appear, along with applicable fines.

3. If a student organization is charged with violating the Code of Conduct, the organization's president or his/her designee must attend the administrative hearing meeting and/or administrative or Conduct Board hearing.

4. The purpose of the administrative hearing meeting is to discuss the charges filed against a student. Students will then have the opportunity to have an administrative hearing immediately or request a hearing with the University Conduct Board. If the student requests a hearing with the University Conduct Board, the administrative hearing meeting will serve to support the student in explaining the hearing process and answer any questions they may have.

5. There are two types of formal hearings – an administrative hearing, facilitated by one University employee, and a Conduct Board Hearing. A Conduct Board Hearing is conducted by at least three University community members. University board members each have an equal vote in the outcome of the proceeding. Each member is trained in advance and prescreened on a case-by-case basis to eliminate familiarity with the involved parties.

6. The hearing officers or board members hold ultimate discretion over what records, exhibits and written statements may be accepted as information for consideration during the hearing. All procedural questions, including those regarding materials and testimony that will be presented during the hearing, are subject to the final decision of the hearing officers.

7. The hearing officer, or University Conduct Board chairperson, shares responsibility for maintaining order and decorum. They have the right to impose rules that are reasonable and necessary for an orderly and efficient hearing to take place. Any person who commits an action that interrupts the proceedings or refuses to comply with rules regarding behavior will be removed from the hearing. The hearing officer has the authority to direct the time of entrance and exit of all parties participating in the hearing.
All hearings are closed proceedings.

8. During the administrative hearing, the respondent:

   a. Shall be informed that the hearing will be recorded. The recording shall be the property of the University.

   b. Shall be advised of their responsibility to tell the truth before testifying in response to the charges.

   c. Shall be allowed to introduce witness testimony, relevant evidence and provide the respondent’s version of the events that resulted in the alleged violation of the Student Code of Conduct.

   d. May hear and may question witnesses as well as examine the relevant evidence and documents presented against the respondent.

   e. May bring an advisor or Student Conduct & Community Standards advocate, who may consult with and advise the student/student organization but may not otherwise participate in the hearing.

9. Only those individuals involved with the proceedings will be admitted to the hearing.

10. The hearing officer/University Conduct Board shall decide that a violation of the Code of Conduct occurred if it is proven that it is more likely than not that such a violation occurred.

11. Hearing decisions and sanctions imposed shall be provided in writing within five business days to the respondent and shall include information about the student’s rights to an appeal hearing.

12. All hearing procedures shall be carried out promptly, adhering to the following guidelines:

   a. All charges of a violation as well as the date, time and place of the hearing shall be provided in writing via University email to the complainant, respondent or student organization.
b. The hearing officer/University Conduct Board shall consider the evidence presented by the parties and determine if a violation of the Code occurred. The hearing officer shall inform the respondent of the decision. If additional time is required to render a decision, the respondent shall be informed of the decision within five business days of the hearing conclusion. All decisions will be communicated in writing via University email to the respondent student or student organization.

c. The respondent has the right to an appeal.

Administrative hearing meetings and University Conduct Board hearings will be an option only for cases that are not likely to end in suspension or expulsion and are only an option during the academic year.

APPEALS

1. Millersville University's appeals process is provided to ensure that the procedures used for resolving student-conduct matters are followed in such a manner as to provide fundamental fairness to all parties involved. An appeal is not a rehearing of a case, but instead is an independent review of the original student disciplinary process, finding or sanctioning.

2. A respondent found responsible for violating the Student Code of Conduct may request an appeal of the administrative hearing decision(s) by submitting an appeal request form to the Office of Student Conduct & Community Standards within five business days following the hearing officer’s decision.

3. All sanctions rendered at the administrative hearing must be adhered to while awaiting a result of the request for appeal. Appeals will only be considered if the request is based on one or more of the following reasons. The burden of proving that a legitimate reason exists for an appeal rests with the student:

a. Alleged violations of administrative hearing procedures.

b. New factual information pertaining to the case that was not available at the time of the administrative hearing that is relevant and may materially impact the decision issued by the Office of Student Conduct & Community Standards.

c. The sanctions issued were arbitrary and capricious.
4. The Director of Student Conduct & Community Standards or designee will review the appeal request and will determine whether there is sufficient reason to initiate the appeals process. Any requests not meeting the above criteria will not be considered, and all original findings will be upheld. If granted, an individual appeal officer will review the case. The Appeal Form is available on the Office of Student Conduct & Community Standards. [https://www.millersville.edu/studentconduct/files/appeal.pdf](https://www.millersville.edu/studentconduct/files/appeal.pdf).

5. Should the appeal officer conclude that the request meets any of the above noted reasons, the following actions may be taken by an individual appeal officer:

   a. No change in any findings or sanctions.

   b. A modification of some or all of the findings and sanctions.

   c. Reversal of all of the findings of the administrative hearing decision and/or sanctions.

6. The appeal officer is responsible for reviewing findings made at administrative hearings. This is not a rehearing of the case. The respondent shall be notified of the date and time of the hearing review as well as the name of the appeal officer. During the appeal, the following process will be followed:

   • Pertinent records, exhibits and written statements may be accepted as information for consideration by the University appeal officer.

   • All appeal decisions are final.

   • The appeal is the final step in the Millersville University process.

SECTION E: DISCIPLINARY SANCTIONS

The following are general University sanctions which may be imposed upon a student or an organization that is found responsible for a violation of the Student Code of Conduct. This list is not intended to be exhaustive, and the University and its agents reserve the right to impose additional sanctions to ensure the highest standards of conduct. Counseling, treatment programs,
restrictions from facilities or other conditions may be imposed when deemed appropriate. The University may impose any combination of the following sanctions:

**INTERIM SUSPENSION**

Pending final action on charges of violating the Student Code of Conduct, the student may be subject to immediate suspension or loss of privileges if it is determined by the Vice President for Student Affairs or designee that the student’s presence on campus may constitute a threat to the health, safety and welfare of the University community. In addition, a student may be placed on interim suspension if the student poses an ongoing disruption of, or interference with, the normal operations of the University.

If a student is placed on interim suspension, an administrative hearing will be scheduled within 10 class days to determine a final sanction. Unless extenuating circumstances prevent the facilitation of a hearing, the reversal of an interim suspension shall not be construed as a determination that the student is not in violation of the Student Code of Conduct. The University reserves the right to extend the required time period for exceptions based on the health and/or mental-health concerns that may impede the student’s ability to effectively participate on his/her behalf. In such matters the Vice President for Student Affairs or designee will have sole discretion.

*During a period of interim suspension, students may not continue to participate in classes or participate in online or distance-education courses, participate in University activities and/or be on University property. The interim suspension shall remain in effect until such time as it has been modified by the Director of Student Conduct.*

*While on interim suspension, the student is responsible for the payment of all tuition and fees in accordance with the University payment policies. (Please reference the Department of Housing and Residential Programs and Office of Student Accounts fee schedules for more details.)*

**SANCTIONS**

This action will be commensurate with the violation. The objective of sanctions is to provide the responsible student with a dynamic and active educative experience. The goal is to help the student better understand the impact of his/her conduct on themselves and on the community, and to help rebuild healthy communities, increase the violator’s social capital, decrease the likelihood of future negative conduct, repair harm and restore
relationships. The objective of this administrative imposition of sanction is to hold accountable the responsible student with a proportionate penalty in response to their role in violating the Code of Conduct.

**Behavioral mentor:** The student may be assigned to a faculty, staff, community or student mentor for support in the areas of personal and academic development relevant to the violation. The hearing officer/hearing board will establish the frequency and duration of the mentoring relationship. Any missed appointment with the assigned mentor will be considered a failure to comply, and additional sanctions may be imposed.

**Censure:** Designated for a period of not less than a full academic year and not more than the remainder of the student's academic career at Millersville University. During a period of assigned “censure,” a student may maintain membership with any student organization, group or team, but the student may not represent the University in any official leadership capacity or hold office or leadership position in any student organizations, groups or teams. Censure indicates to the student that further violation(s) of University regulations will result in more stringent conduct action, including but not limited to suspension or expulsion from the University.

**Conduct contract:** A student and hearing officer may reach a written agreement concerning expectations for future conduct and decisions to assist in preventing inappropriate conduct from recurring.

**Counseling services:** Where there is a question of safety, a student may be required to obtain an evaluation through the University's Counseling and Human Development Center or another counseling resource and comply with the recommendations that result from the evaluation.

**Deferred action:** Deferring the imposition of a standard sanction for a violation based on mitigating circumstances. Students imposed “deferred action” sanctions understand that any new misconduct for which a student is found responsible will result in the immediate imposition of the sanction that was deferred, becoming effective immediately without further review. A sanction may be in deferred status for a limited period of time.

**Educational development:** Hearing officers/hearing board members may refer students found responsible for violations to campus resources to assist, educate or monitor the development of appropriate conduct, critical-thinking skills, mature decision-making skills, etc. These referrals are mandatory, and failure to complete a referral could result in additional charges by the Office of Student Conduct & Community Standards. Referrals may include a drug and alcohol education program or other appropriate program or resource.

**Educational reflection:** Students may be required to attend an educational
program, produce an educational project, write an essay or participate in other such creative educational activities.

**Ethical reflection:** The student will write a 1–2 page reflection paper on the importance of ethical decision-making in an educational community. It is important to include in the paper a discussion of how one poor decision can impact an individual, a community and the person who makes the poor decision.

**Expulsion:** The student is separated from the University permanently. There are no provisions for the readmission of the student in the future. The expelled student is responsible for the payment of all tuition and fees in accordance with the University payment policies. (Please reference the Department of Housing and Residential Programs and Office of Student Accounts fee schedules for more details.)

**Financial restitution:** A student or student organization may be required to make payment to the University or to another specified person(s) or group(s) for damages incurred because of a violation of behavioral expectations.

**Fines:** A financial cost applied to the student or organization as predetermined on existing policies. (Table of fines is located at the end of this document.)

**Inactivation:** Temporary loss of University recognition and campus privileges for a designated period of time not to exceed five years imposed upon a student organization.

**Loss of privileges/No Trespass Order:** A student/student organization may be denied specific privileges for a designated period of time. These privileges include but are not limited to access to specific buildings, facilities, residence hall assignment and participation in extracurricular activities. When a No Trespass Order is issued as a sanction in a student disciplinary matter, the Office of Student Conduct & Community Standards will forward notice of the No Trespass Order to the Millersville University Police Department. Students who violate such orders will be subject to further disciplinary action under the Student Code of Conduct, along with being cited or arrested for criminal violations.

**No-contact directive:** This action is implemented at the discretion of a hearing officer directing a student to avoid initiating contact with another member of the University community and may include limiting access to areas to avoid incidental contact. Restricted contact includes direct interactions in person or through technology as well as the use of third parties to interact.

**Off-campus counseling:** The student will need to provide verification from
an off-campus, verified, licensed counseling professional stating that the 
student has entered counseling and is complying with the treatment plans 
and/or recommendations of the treatment provider. This verification should 
include a written statement that the treatment plan will include the following 
outcomes:

(1) development of effective coping strategies to help deal with the 
pressures (peer and otherwise) one is facing,

(2) plans to achieve a healthier balance in life, and

(3) identification of tools and resources to achieve psychological 
well-being.

Parental notification: A student’s parent or guardian may be notified of 
a violation of the Code of Conduct and the student’s disciplinary record in 
accordance with the Family Educational Records Privacy Act (FERPA) 
(see page 12).

Probation: This level of probation is intended to provide the student an 
opportunity to reflect on and learn from their conduct while increasing their 
awareness of the impact of their conduct on themselves and others, and of 
the University’s behavioral expectations. Additional violations during this 
period will result in more serious sanctions by the Office of Student Conduct 
& Community Standards.

Reprimand: A student shall be warned, in writing, not to violate the Student 
Code of Conduct in the future. Additional violations may result in more 
serious disciplinary action.

Restorative practices: Restorative action holds students responsible for 
violating the Code accountable for their conduct by involving them in face-to-
face encounters with the people they have harmed/impacted. The restorative 
action seeks to develop good relationships and restore a sense of community.

Service restitution: Students may be required to perform a community 
service to assist in developing increased awareness of the impact of 
misconduct to strengthen critical-thinking abilities to identify 
appropriate conduct.

Suspension: The loss of privileges of enrollment for a designated period of 
time determined by the hearing officer or designee. A suspension remains in 
place during the appeals process and until a final outcome of the appeal has 
been determined.
• Suspended persons are prohibited from taking classes, including distance education and online courses, taking exams and/or receiving grades, participating in University activities and being present on University-owned or -controlled property.

• During a period of suspension, if a person is found to be present on University property without permission from the Office of Student Conduct & Community Standards, they will be subject to arrest for criminal trespass.

• Persons are not entitled to a monetary refund for tuition, housing or a meal plan. (Please reference the Department of Housing and Residential Programs and Office of Student Accounts fee schedules for more details.) If living on campus, a student must make arrangements to vacate within 48 hours or less. The time period will be determined by the hearing officer.

• In order to be eligible for readmission, a person must comply with all aspects of the suspension letter. Readmission is contingent upon completion of the suspension period, fulfillment of sanctions, if any, and the approval of the Vice President for Student Affairs or designee.

• Inactivation: Temporary loss of University recognition and campus privileges for a designated period of time not to exceed five years imposed upon a student organization.

**Termination of University recognition:** The organization is not eligible for reinstatement for a minimum of five years. Only the Vice President for Student Affairs can grant reinstatement of an organization’s recognition. Consideration for reinstatement must be accompanied by a written proposal developed under the guidance of the Director of the Department of Campus Life. The proposal for reinstatement must also include the following criteria:

a. A letter of endorsement/support from a proposed faculty/staff advisor.

b. A letter of support from the Executive Board of Student Senate.

c. A cover letter outlining the steps that have been taken to avoid a repeat of the earlier misconduct.

**Additional sanctions involving cases of sexual misconduct can be found in Section F.**
The Director of Student Conduct & Community Standards and/or designee has oversight for monitoring the compliance of sanctions. In the event a student does not comply with the imposed sanctions, the hearing officer may place a hold on their student record. A hold will prevent future course registration, receipt of diplomas and access to general business services.

Before a Student Conduct & Community Standards hold can be removed, the student will be required to submit a Hold Removal Form, located on the web page of the Office of Student Conduct & Community Standards.

Students who miss appointments during or as a part of the fulfillment of any phase of the Student Conduct & Community Standards process may incur fines and have additional charges imposed against them for noncompliance. This includes appointments with the hearing officer, the Conduct Board, Counseling Center personnel or with any other internal or external individuals or entities enlisted by the University to assist with the Student Conduct & Community Standards process.

It should be noted that noncompliance with mandated sanctions may also result in the loss of University scholarships. Students who are found responsible for violations are directed to contact the financial aid department to assess the consequences that may result from a sanction issued by the Office of Student Conduct & Community Standards.

Sanctions imposed against student organizations do not apply to the individual members of the organizations. However, organization members may be held separately responsible for violations depending on their individual role and involvement, and relevant sanctions may be imposed as appropriate.

*Please note that interim suspensions are applied prior to any Student Conduct & Community Standards proceedings in cases where safety may be a major concern.*

“Administrative hearing meeting”: An initial meeting between the accused student or student group and the hearing officer to review the information, discuss the allegations, and ask the accused their position on the alleged violations. The accused will also have the ability to request a formal hearing with the University Conduct Board or complete their case at this meeting.

“Arbitrary or capricious” refers to decisions subject to individual will or judgment without restriction; contingent solely upon one’s discretion; made by an arbiter rather than by a law or statute.

“Conduct Board hearing”: A formal proceeding at which presentations are made by or on behalf of the complainant (charging party) and the accused student or group to the hearing officer or University Conduct Board. The members of the Conduct Board will determine the accused student’s responsibility for the violation(s). Not all cases will warrant the convening of a University Conduct Board hearing. Cases that could lead to suspension or expulsion are not eligible for Conduct Board hearings. Conduct Board hearings are only an option during the academic year.
“Consent”: Consent is clear, knowing and voluntary, and expressed prior to engaging in and during an act. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. “Office of Student Conduct & Community Standards” investigates possible violations; maintains Student Conduct & Community Standards records; trains the University Conduct Board and the Student Conduct & Community Standards Title IX Panel; interviews parties involved in alleged violations and coordinates with the Title IX coordinator in matters pertaining to sexual assault/harassment.

“Preponderance of the evidence” has been described as just enough evidence to make it more likely than not.
