

# CELEBRATE EARTH DAY'S 50TH ANNIVERSARY

---

## Share a Statement of Hope for a Sustainable Future

Join your friends and colleagues in celebrating the 50th anniversary of Earth Day by sharing a statement that takes stock of all that has been accomplished to respect and protect the environment during the past 50 years and/or offers hope for a sustainable future.

Statements can be personal expressions or quotes from others (please include author attribution). As an example:

*"I see in my students the passion and ability needed to solve the environmental challenges of today. We need only continue to equip them with the right knowledge and tools."*

**50 statements of hope will be posted to  
Millersville's Earth Day 2020 website on April 22.**

To contribute a statement:

- 1) Prepare a statement of hope or reflection that is less than 250 characters.
- 2) Send to [sustainability@millersville.edu](mailto:sustainability@millersville.edu) by Friday Apr 17.
- 3) Include your name and title or major (if desired).
- 4) Optional: Provide a headshot or other image to include with your quote.
