

OCTOBER IS GREEN COMMUTE MONTH

- Switch from driving alone to trying a green commute mode such as carpooling, walking, riding a bike or riding the bus.
- Register and track your trip through Commuter Services of PA's website (<https://commutepa.agilemile.com/>) to help Millersville retain the Champion title for green college commutes for the third straight year.
- Learn more about Millersville University's sustainable travel options, including how to find a carpool partner, on the Sustainable Transportation website (<http://www.millersville.edu/sustainability/sustainable-campus/transportation.php>).
