## PREFERRED NAME POLICY

Millersville University recognizes that many members of its community use first names other than their legal names to identify themselves. For some students and employees, a chosen or preferred name may be an important component of their identity. In support of the University's diversity to inclusion initiative to provide a safe and equitable experience for all, Millersville University accepts requests to use preferred names on certain University records and systems, where feasible.

More information about the preferred name policy can be found at [tinyurl.com/PreferredNamePolicy](http://tinyurl.com/PreferredNamePolicy).

## HOUSING & RESIDENTIAL PROGRAMS

The Housing and Residential Programs Office is committed to designing and maintaining a supportive community environment that enhances the development of our residential students. At Millersville University, we are proud to offer gender-inclusive housing for students who identify as transgender, are more comfortable living with another sex or gender, or do not prescribe to gender classifications.

For questions or to discuss housing assignments, please contact Housing & Residential Programs at [housing@millersville.edu](mailto:housing@millersville.edu) or 717-871-4200.
