FACULTY

The diverse faculty of the business administration program have extensive real-world business experience and academic training. All of our courses are taught by qualified professors, not graduate assistants.

Our faculty are experts in their fields and are active scholars. They serve in community organizations, provide expertise to boards of professional organizations and are engaged in business activities that enhance our students' classroom experience.

CAREER OPPORTUNITIES

Millersville's business administration graduates are competitive and succeed in landing their first postgraduation job in their chosen field in an increasingly complex job market. Recent examples include Cisco Systems; Dell, Inc.; Hershey Entertainment & Resorts; Lancaster General Health; Morgan Stanley; High Industries, Inc.; Clark Associates; Northwestern Mutual; Colgate-Palmolive; and Wells Fargo Advantage Funds.

INTERNSHIP OPPORTUNITIES

Internships are an integral part of our program and commonly link students with local industry. Our students have interned at American Express, Google, Harley-Davidson Inc., Fulton Bank, Lancaster General Health, American Heart Association, The Franklin Institute, Morgan Stanley, Clark Associates, United Way and Hershey Entertainment & Resorts, among others.

CLUBS AND ACTIVITIES

Clubs and student organizations provide enrichment opportunities to expand your skills and networking through presentations by visiting speakers, field trips to industries, and attendance at regional and national conferences.

Accounting and Finance Club – The Accounting and Finance Club is an organization for students who are interested in learning more about accounting, finance and related careers. We strive to help students refine their career pursuits and enlarge their professional network.

Delta Mu Delta – An international business honor society that recognizes and encourages academic excellence of students and fosters the well-being of its individual members through lifetime membership.

ENACTUS – Provides students with the opportunity to develop leadership, teamwork and communication skills. This community of student, academic and business leaders is committed to using entrepreneurial action to transform lives and shape a better, more sustainable world.

Marauder Fund – The mission of the Marauder Fund Student Investment Association (a.k.a. The Marauder Fund, MFSIA, or MF) is to expand the economics and financial market educational experiences available to its student members by promoting and sponsoring workshops, seminars and career development events based on financial markets and investing.

Society for the Advancement of Management (SAM) – A national business organization that focuses on improving managerial and leadership skills for a successful career. SAM also participates in an annual convention that features a national competition for students in a comprehensive case-study presentation.

The Student Business Association (SBA) – A student organization catered to business-minded future professionals. SBA provides students the opportunity to network with peers as well as local business professionals.

Women in Business Club – This club offers our female students interactions with alumni and experts in all areas of business, giving valuable perspectives as well as mentorship and networking opportunities.

CAREER READY

Our curriculum offers excellent preparation for graduate programs leading to an MBA, M.S., Ph.D. or J.D. We also assist students in preparing for professional certifications, such as in accounting: CPA, CMA, CIA and CFE, among others. We also offer Microsoft training and certification.

Did you know?

- Millersville accounting students generally score within the 99th percentile of their major field exams, and finance students score within the 95th percentile of their major field exams (according to Educational Testing Service).

ACCREDITATION

The Lombardo College of Business is internationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP) to offer a Bachelor of Science (B.S.) degree in business administration.
