Finish what you started! A bachelor's degree in business administration can help you further your career in almost every industry. Team up with experienced faculty to learn how to apply up-to-date best practices. Your location, your time, your future success! Enroll today!

ONLINE DEGREE OPTION
Millersville University offers a Bachelor of Science in Business Administration (BSBA) with an option in general business. The program is designed for students who want to complete a bachelor’s degree in business and have as few as 30-45 college credits from an accredited institution. Students entering with an associate degree in business can complete their bachelor’s degree in approximately two academic years.

The business administration curriculum is designed to provide you with the necessary skills and knowledge in all business disciplines. This well-rounded education prepares you to succeed in any business: for-profit, nonprofit or public-sector organization. Taking classes completely online while you work allows you to enhance your skills, prepare for your next promotion or pursue a career change!

WHAT WILL YOU LEARN?
After completing this program, you will be able to:
• Utilize the latest tools from all business disciplines to streamline organizational practices and improve policies, procedures or operations.
• Implement effective workplace solutions by advancing your decision-making and problem-solving skills.
• Sharpen your business communication ability to help you lead teams and work more effectively with company stakeholders.
• Design and implement cutting-edge business strategies in the global marketplace.
• Lead and develop teams to implement strategic business decisions.
• Create an effective and productive company culture based on effective employment practices.

PROGRAM BENEFITS
Flexible - 100% online courses
• Classes starting every fall, winter, spring and summer.
• Courses are offered year-round to allow you to complete your degree faster.

“MU’s online courses worked great for my busy schedule and allowed me to continue working full-time while pursuing my bachelor’s degree. The online learning environment is convenient, flexible and exceeded my expectations.”
– Michelle Rodriguez ’19

ACCREDITATION
Millersville University’s Lombardo College of Business is internationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP) to offer a Bachelor of Science in Business Administration (BSBA).

Benefits of an ACBSP-Accredited Program:
Accreditation affirms the relevancy and currency of faculty, programs and courses to best serve students by assuring a focus on quality performance. Millersville prides itself on faculty and student engagement that position students for success.

Employers seek and value graduates from accredited programs because of the experience they gain throughout their education.

"When I joined the now Lombardo College of Business in 2019, I was eyeing down a list of 20 classes I still needed to take to complete my BS. During my accelerated time at Millersville University, I felt that I had numerous avenues to reach out and receive guidance where needed. From my advisor to professors, all of them went above and beyond when needed to help me succeed as a student. I am thankful for everything I have received from the faculty at Millersville. I feel that I am well prepared to tackle my MBA in an accelerated fashion, thanks to the support I received at Millersville.
– Mark E. Stewart Jr. ’20

Your Online Program Support Team

As a student of Millersville’s online programs, you will have access to a variety of academic and student support services:
- An Online Programs Admissions Counselor will work with you to help answer questions and/or concerns regarding the application and admissions process, provide transcript updates, complete transcript evaluations, announce admission decisions and assist with confirming enrollment.
- A faculty advisor in business provides assistance to craft your academic plan.
- Student Support Specialists offer assistance and services throughout the entire program for course registration and program progression.
- Technical support, including remote troubleshooting services, is available for all online students.

Faculty

The faculty in the Lombardo College of Business have extensive real-world business experience and academic training. All of our courses are taught by qualified faculty, not teaching assistants or graduate assistants.

Our faculty are experts in their fields, and most are doctorally qualified. They engage you in the latest world-class management theory and aid you in applying these principles to your interests and future endeavors. Our faculty are also active scholars who regularly publish their research and present at regional, national and international conferences. Faculty engagement in community organizations, boards of professional organizations, and professional activities enables them to enhance the classroom experience with current situations impacting organizations.

Career Opportunities

Lombardo College of Business graduates are competitive, and many succeed in landing their first postgraduation job in their chosen field in an increasingly complex job market. Some examples of places our recent graduates work include Cisco Systems; Dell Inc.; Hershey Entertainment & Resorts; Lancaster General Health; Morgan Stanley and many others.
