STUDENT SUCCESS PLATFORM: THE BASICS

UNIVERSITY COLLEGE

WELCOME TO STARFISH

Student success is a team effort!

Everyone has a role in helping our MU students be successful.

Starfish works with all members of our institution to address specific student needs and connect students to resources.

Share your concerns through *Flags*, *To-dos*, and *Referrals* for a timely impact upon student success.

Encourage students through positive feedback using *Kudos*.

UNIVERSITY COLLEGE

THE PURPOSE OF STARFISH

Facilitates communication between campus stakeholders to foster student academic achievement.

Connects students to valuable resources, services, and personalized interventions.

Mitigates student risk by identifying areas of concern and devising success pathways.

Provides reliable data to more effectively focus student success and retention strategies.

Promotes a proactive, student-centered culture of learners who take accountability for their own engagement.

STARFISH TOOLS

APPOINTMENT scheduling from students based upon instructor office hours.

EARLY ALERTS notify students and academic advisors when a student is staying on track or may need additional academic support.

PROGRESS SURVEYS provide timely updates on individual student course progress each semester. These are deployed at key times throughout the semester.

REQUEST HELP FUNCTION allows students to ask questions and get proactively connected to needed resources and information.
