STATEMENT OF UNDERSTANDING

Please initial next to each statement indicating that you have read and understand the following:

_____ Initial: I **must** be registered for classes prior to submitting this form.

_____ Initial: I **must complete this form every semester to have an enrollment certification submitted on my behalf.**

_____ Initial: I understand that only courses listed as required on my Degree Audit can be certified with the VA. I am also aware that classes which are successfully completed, as determined by my Degree Audit Report (DARS), may not be certified again for VA purposes.

_____ Initial: I understand that I must notify the VA Certifying Official of any changes made to my class schedule (such as the add/drop of classes and/or program change). Failure to notify the VA Certifying Official of changes to my class schedule may result in owing the VA for an overpayment.

_____ Initial: I understand the school automatically notifies the VA of any changes including statuses of academic probation and suspension. Students who receive all (or a combination of) F, Z, and/or W grades will be reported to the VA with a last day of attendance provided by the Registrar's Office, which may result in me owing VA for tuition, fees and *Basic Allowance for Housing (BAH)*.

_____ Initial: I understand I cannot be certified beyond my sophomore year unless a major is declared.

_____ Initial: I understand that I am responsible for all debts resulting from reductions or terminations of my enrollment, even if the payment was submitted directly to the college on my behalf.

_____ Initial: I understand that I must verify my enrollment with the VA every month in order to receive my benefits under Chapter 30 or Chapter 1606, by either visiting the VA website at <https://www.gibill.va.gov/wave>. **If I receive Chapter 33 benefits, I will verify my enrollment by text message or phone call to 1-888-GIBILL-1 (1-888-442-4551).**

_____ Initial: I understand that Millersville University may not be made aware that I am nearing or have exhausted my benefits. I am aware that if the VA Certifying Official is notified after benefits have been applied to my account, some or all of my benefits may have to be retroactively adjusted, which may result in a balance due to the university.
